

Carpentry Apprentice

Bigfoot Northwest is looking for an enthusiastic Apprentice to join our creative and collaborative team of builders, carpenters and creators. Our mission is to build, design and create excellent work with great people by providing the best building experience for our clients. As a company we believe we have the opportunity and responsibility to go beyond industry standards by baking excellent customer service and environmental responsibility into our DNA. We integrate our core values of Creativity, Integrity and Commitment into everything we do across the team.

This is a great entry-level position for someone who is excited to learn and grow. We are looking for someone who is inspired by community, local business and sustainable construction. The ideal candidate is hard working, has a positive attitude and willingness to perform physical labor tasks, is proactive at communicating and asking questions, and has a keen sense for anticipating potential risks and roadblocks.

Responsibilities:

- Assist with carpentry tasks with the highest quality of craftsmanship, including both rough and finish carpentry
- Prepare sites by cleaning, removing hazards and loading or unloading materials
- Communicate with team to stay informed of the entire project scope including revisions, change orders or changes to the scope of work and the schedule, in coordination with Lead Carpenters
- Support team of carpenters to perform remodeling and/or new construction tasks.
- Communicate clearly and effectively with other production team members, including subcontractors and clients
- Proactively ensure excellent job-site safety, cleanliness, security and protection
- Coordinate and order construction materials as needed and requested

Someone with experience in carpentry or general construction is preferred but not required.

This is a full-time position with a competitive salary, health benefits and PTO. Bigfoot Northwest is a small team and interested in building long-term relationship with every team member. We're also working towards becoming B-Corp Certified.
